

SARA™
BY RAY DASS

Math Acceleration

The **SARA™** Math Acceleration Program is designed to fill learning gaps and build **mastery** in foundational Math in a fun and engaging way! Students will be guided through **SARA™**'s **mastery-based** curriculum, full of short and concise HD Instructional Video Lessons taught by Ray Dass himself, along with hundreds of practice questions.

Available Middle and High School Tracks and Topics include:

- Number and Quantity
- Algebra and Algebra II
- Functions
- Geometry
- Modeling
- Statistics and Probability

Winner of the "Best Educational Software (BESSIE)" Award and the "Best Test Prep Software (EDDIE)" Award in 2016, 2017, 2018, and 2019
